CONDITIONS OF SALE

1. RESERVES

The figures quoted in the catalogue are the RESERVES. They are the starting price for each lot. The minimum reserve for this sale has nominally been set at \$5. It is strongly recommended that lots set at this reserve be viewed as this is effectively NO RESERVE and potential bargains exist.

2. AUCTIONEER

The appointed Auctioneer (Terry Finlayson) will decide the work program for the Auction.

3. DISPUTES

In the case of a dispute the decision of the Auctioneer will be final. He may, if necessary re-offer the lot.

4. BIDDING

The successful purchaser shall be the highest bidder. The Auctioneer will determine the bidding advances (approximately 10% of the last amount bid).

5. VIEWING

On the day only, prior to the Auction from 6.30 pm.

6. PAYMENT

Cash preferred. If payment by cheque – identification may be required etc. Mastercard & Visa Credit Cards will be accepted but are subject to a 2% surcharge to cover costs.

7. INSPECTION OF LOTS

Bidders will be deemed to have inspected lots before the auction. Purchasers will be deemed to have inspected and accepted lots before leaving the auction, otherwise lots are not returnable.

8. DESCRIPTION OF LOTS

These have basically been listed as described by the vendors and vary widely. Lots are not inspected prior to preparation of the catalogue. Therefore, it is recommended that bidders inspect lots prior to the auction. The society shall accept no responsibility for any errors / omission associated with lot description.

9. COLLECTION OF LOTS

Following payment, lots may be collected at any time during the auction. Otherwise it is expected that they will be paid for and collected immediately following the auction.

10. POSTAL BIDS

Further to point 8., postal bids are not encouraged. If you cannot attend the auction and wish to bid it is strongly recommended that you make appropriate arrangements with somebody attending the auction to act on your behalf. If necessary, postal bids may be lodged by contacting Mike Kouwen on (08) 9384 4981 or by email jmikek@inet.net.au
